## SOAK IN THE STARS

The ultimate in stellar relaxation, Tekapo Star Gazing offers the only hot pools, virtual reality and star gazing experiences in New Zealand! Operating from Tekapo Springs, our unique tours combine the stunning Aoraki Mackenzie International Dark Sky Reserve with our soul-warming hot pools.

Choose from either our Virtual Reality Space Tour (1.5 hours) and be fascinated by a guided virtual reality experience of the stars, or enjoy a tour (2 hours) of the amazing Southern skies using telescopes and a unique fusion of astronomy and stories passed down from the first people of Aotearoa/New Zealand.

Both tours are followed by a relaxing soak in a 37.5 degree hot pool; lie on a floating hammock and feel like you're soaking in the stars as you explore the wonder of night skies!

Tours run nightly regardless of weather. In the event of cloudy skies, our stargazing tour will operate indoors using state-of-the-art virtual reality technology. English and Mandarin speaking tours are available. A free shuttle is provided within Tekapo. Twizel transfers available upon request. The Virtual Reality Space Tour includes a free shuttle within Tekapo only.
